## RELIABILITY

You can count on us! We will show up early, entertain your guests, and most of all we will answer our phone! That is the biggest pain point we have heard about other DJs. We make it a point to answer calls, text, emails, or any other communication within 24 hours!

## A NEAT AND PROFESSIONAL SETUP

## AN AMAZING DJ/MC

Our DJs engage the crowd and play the right music at the right time. We practice, practice, practice to give you and your guests an experience you will talk about for a lifetime.

## A VIRTUALLY LIMITLESS SONG LIBRARY AND CUSTOM PLAYLIST

## FUN PARTY LIGHTS

No one wants to get down in a bland room. Our lights entice everyone to dance the night away!

## CONSULTATIONS

We include at least one free consultation to understand your needs and make sure this package is right for you. We make recommendations, give advice, and will even make a special trip to your venue to ensure you have the best event possible. After that consultation, feel free to call us and bounce an idea. We don't charge for stuff like that. We just want you to have a great event!

# ENHANCEMENTS

Take your enhancement experience to the next level with these enhancements.

## DJ AND LIGHTING ENHANCEMENTS

### UP LIGHTS - \$300/EVENT

For 10 to 12 lights - Add color accents to the room with custom up lighting on the walls. The colors of the up lighting are programmed to meet your specifications and match the colors of your event really changes the entire vibe of the room. We also program them to flash and strobe different colors when it's party time.

### CUSTOM MONOGRAM LIGHT - \$300/EVENT

This custom light shines a custom designed image on a flat surface (wall or floor). Think "Bat Signal". The image can be a logo, monogram, or custom 2D, one color, image.

### CEREMONY SETUP - \$300/EVENT

The ceremony setup includes a premium PA speaker, wireless microphones, and music for your wedding ceremony. Add this to your CELEBRATION or PREMIUM PACKAGE if your wedding and reception are in two different physical areas/locations because you will need two setups.

### ADDITIONAL SPEAKERS - \$100/SPEAKER/EVENT

Add an additional speaker to your DJ setup. This is very helpful for events with more than 200 guests (best in sets of two) or adjacent rooms.

## PHOTO BOOTH ENHANCEMENTS

### INSTANT PHOTO BOOTH PRINTS (2X6 AND 4X6) \$250 TO \$450

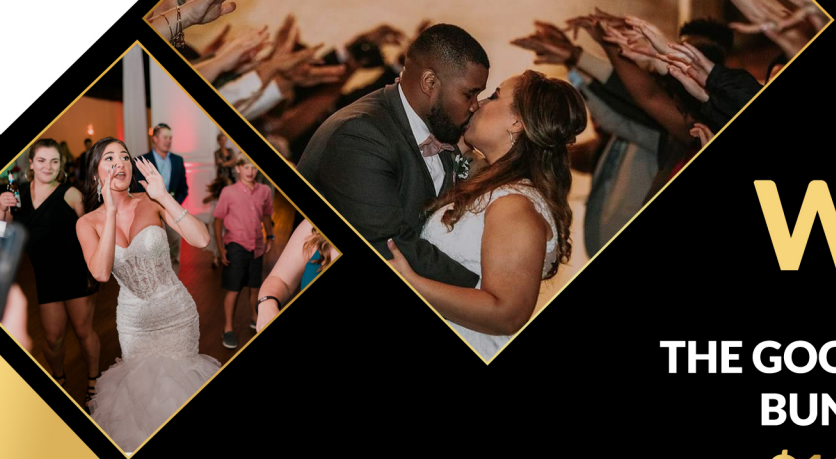

Add full color, 2" x 6" strip prints or 4" x 6" standard photos to your photo booth to make sure your guests have the best experience possible at your event! These prints make an amazing party favor for any event. People love to hang them at their work desk, living room mantle or refrigerator. Prints come with a nice keepsake photo album and guest book!

### BOXWOOD BACKDROP - \$275/EVENT

This custom backdrop adds a beautiful touch of elegance to your event. It comes with a custom, wooden cutout of your name or short, two word phrase which you get to keep after the event. This "a" makes really cool keepsake from a special event like a wedding.

### RED CARPET - \$75

This enhancement is very popular especially with high profile, very swanky events. Lay this 8-foot red carpet runner in front of the backdrop, leading up to the photo booth area, or at the entrance of your event to add a "Hollywood" style touch.
